

EcoPressWash™ #222

FAST EVAPORATING PRESS WASH FOR ALL INKS

TECHNICAL DATA SHEET

DESCRIPTION:

EcoPressWash™ #222 is a press wash that is effective on all types of inks: epoxy, enamel, multipurpose, vinyl, poly-acrylic, modified acrylic, solder resist, plastisol sublimation, U.V. and any other graphic and textile inks.

ADVANTAGES:

- ❖ Fast evaporation
- ❖ Emulsion and capillary stencil safe
- ❖ Fast effective removal of ink
- ❖ Easy to use
- ❖ High load capacity to reduce usage

APPLICATION:

1. Card excessive ink from screen.
2. Use **EcoPressWash™ #222** at full strength, **DO NOT DILUTE**.
3. Apply product on both sides of the screen with a towel or rag.
4. Wipe dry with a towel or rag.
