

EcoStrip™ #1

EMULSION STRIPPER

Concentrate 1: 20

TECHNICAL DATA SHEET

DESCRIPTION:

EcoStrip™ #1 is a very strong and effective emulsion and capillary film remover, 1 liter will make up to 20 liters (1 gallon= 20 gallons) depending on emulsion thickness and cure.

It also contains a degreaser.

ADVANTAGES:

- ❖ Easy to mix
- ❖ Much safer than crystals or powder
- ❖ Fast removal of hardened emulsions
- ❖ Economical
- ❖ No odor
- ❖ Biodegradable
- ❖ Savings in shipping costs

APPLICATION:

1. Apply diluted **EcoStrip™ #1** biodegradable emulsion remover to both sides of wet screen.
2. Let sit for 2 to 3 minutes or until emulsion starts breaking down **(DO NOT LET PRODUCT DRY ON THE SCREEN)**.
3. Remove with high-pressure cold-water washer.
